News

The next Students Support group will be about nutrition and exercise and will take place late October, early November.

The survey we took for the field trip was the best participation we've seen! The winner was Medieval Times! A survey has been sent out to find out when the trip should take place.

In the survey, Escape Games was the first choice for the most people, so Becky's gonna go scout it out for us. if you'd like to join her, let her know.

Through circumstances under some silly-head's control, we can no longer use the fifteen-seater van. Carpooling, perhaps? After we finalize the date and time for the field trip, we'll be looking into that.

[STUDENT HONORS COUNCIL MEETING NOTES]

The Community Garden will either be in front of the Nursing and Allied Health Building or the Student Activity and Recreation Center. Which one would you pick?

To-Do List

An email has been sent out with a link to the Honors Program Application. Please show it around!

We need to have the deadline for applications put on the screens around campus.

Charlie needs a key to the Honors website, so he can do his thing.

A money pot is going to be placed in the kitchen, if you wish to donate some money along with suggestions for snacks, please place it in the pot.

No rush, but we should have the Charter done by August 2016.

For Future Reference

The field trip survey's layout was marvelous! The numbering, links, and approximate prices should be on future surveys.
